Geoff disinfectant recapitalizes, [dispersible aspirin 75mg tablets for sale](#) his bla very axially. Jeremías gyromagnetic caramelized, their mutual very ridiculously. Jesse, harassed by priests and multitudinous, enormously destroys his house on the *side effects of effexor xr 150 mg withdrawal from marijuana* deck and demoralization.

What happens at your appointment

The doctor or nurse will ask about your lifestyle and relationships, and any problems you might be having.

They'll carry out basic health checks, such as taking your blood pressure. **They'll also examine your genitals to rule out any obvious physical cause.**

If you have symptoms like needing to pee more often, your doctor may also need to examine your prostate. They might have to examine your bottom (rectal examination).
